

## **CALL OUT FOR VENDORS and SPEAKERS**

The University of the Fraser Valley is looking for vendors, information kiosks, and services that would like to be part of a Pride Celebration at the UFV Abbotsford Campus. This event is open to the UFV population, as well as the general public. This event will be a time of celebration, discussion, inclusivity, and building relationships. A large turnout is expected as the event takes place at the start of the semester alongside orientation week, and students, staff, and faculty will be encouraged to participate. The event will also be advertised publicly. [Register for a table at PRIDE on the Green.](#)

We are also looking for speakers to participate in our Pride Culture Conference, running in conjunction with PRIDE on the Green. Applications are still being accepted for proposals. [Register to present at the Pride Culture Conference.](#)

**Theme:**

Progress: Celebrating our history, envisioning our future

We want to gather champions of the LGBTQ2+ and allied community to share their experiences, build community, and foster growth to: celebrate our history, envision our future, and promote progress within the community.

We want to create a fun, educational environment, so we request that all vendor booths be designed to be as engaging and inclusive as possible.
